

Dear Service Member,

Thank you for your dedication and service to our country.

I hope the following answers any questions you may have. Sandy Cove's program, Operation Oasis is for recent military veterans of Operation Iraqi Freedom and Operation Enduring Freedom. The program was established to help husbands, wives and children reconnect after the horrors of war.

Service members who have served in either of those theatres of operation would be eligible for one free retreat at Sandy Cove. We have many retreats that you may choose from including: New Year's Eve Extravaganza, Couples Retreats, or our Summer Together Family Vacations including Memorial Day Weekend, Summer Together Weeks and Labor Day Weekend. To learn more about these events and Sandy Cove Ministries in general please visit our website, www.sandycove.org.
